— “**Holiday Quick Win: Modernize Your 2026 Elections” (Most Promotional)**

Or

“**Make Absentee Ballots Easier This Year — With a Little Bold EMS Cheer”****

Subject Line Ideas:

- *A quick holiday upgrade for your 2026 elections*

This season, give your election team the gift of a smoother absentee ballot process.

With Bold EMS, districts can simplify every step — from tracking requests to reconciling results — so 2026 elections start off organized, compliant, and stress-free.

****DECEMBER 2025 EMAIL BLAST**

(Festive, light, value-driven, and perfectly timed for districts prepping 2026 absentee workflows)

Bold EMS makes absentee voting easier with:

- **Built-in absentee & early vote tracking tools**
Track voters from request to return with complete visibility.
- **Barcoded labels for fast processing & reconciliation**
Easy scanning, reduced manual errors, and clean audit trails.
- **Automatic identification of permanently sick, military, & disabled voters**
Ensuring ballots go out to every eligible voter — without the scramble.
- **FOIL-ready reporting and digital records**
Save hours of post-election work with instant exports and complete documentation.

This holiday season, let Bold handle the complicated parts —

so your team can head into 2026 confident, organized, and election-ready.
